EMPLOYMENT

Motion Designer utilizing 3D and Adobe Creative Cloud software to conceptualize and execute motion graphics packages

Motion Designer

Post Asylum, Dallas, TX

Worked closely with Dallas based agencies and creatives to develop post-production motion graphics and visual effects, in traditional 2d on screen animation and full-on 3D applications.

March 2015-present

Animation/Motion Graphics

Brothers & Company, Tulsa ,OK

Utilizing a wide spectrum of technical mediums, ranging from 2D animation graphics to 3D motion to web development, created visual communication solutions for national brands like Remington Arms, Bushnell, Under Armor, Carhartt, Chesapeake Energy and Christie's Cookies. Areas of expertise include anywhere a screen is needed to convey a message using moving images with vibrant colors and sound. Agency experience extends to all areas of the post-production, from project planning & conception to final export and file delivery.

February 2012-Present

Motion Graphics Artist

Signal Factory LLC, Tulsa, OK

Assisted and developed live projects for national clients in Cinema 4D and After Effects.
